Relationship to loved one:
Date created:

Neither Voya® nor its affiliated companies or representatives offer tax or legal advice. Please consult with your tax, legal, or financial professionals regarding your individual situation.

Products and services offered through the Voya  $^{\tiny{\circledR}}$  family of companies. CN3599616\_0526

### Letter of Intent

Serving the special needs community is an extension of Voya's vision and mission to help all Americans have the quality of life they seek in retirement.

We are committed to being a leader in making a positive difference in the lives of individuals with special needs and disabilities — as well as their families, caregivers and other providers — by offering a depth of resources focused on education, planning and solutions through its Voya Cares® program. The Letter of Intent (LOI) is an important resource to help document your daily life and share your future goals.

This document is a non-legal record that can help ensure continuation of care for your loved one with a disability or special need. You can rest easier knowing that there's a written record of how to care for your loved one. In addition, your LOI can help establish your vision for the future that will serve as a foundation for your special needs plan.

Note to future caregivers
This LOI contains important information, including the location of documents and contact information for key service providers that will help you as a caregiver. Listed below are the most important details about the person you are caring for.
If information is protected on someone's computer or is password protected. Where can important documents be found?

### Instructions

Complete this template to capture the most important information about your loved one. This process will help give you peace of mind that you've done all you can to pass along this critical information. You are encouraged to be as detailed as possible and customize this template to reflect your own expectations and wishes for your loved one's future.

Gather the supporting documents needed to complete the LOI, including legal documents, financial statements, insurance policies, birth certificate and identification cards.

Share copies of this completed LOI with all interested family members and friends. Keep the original with your legal documents or in a safe location that can be accessed if something happens to you.

Update this document at least every year or as things change in your loved one's life (schools, graduation, marriage, diagnosis, etc.).

For more information visit voyacares.com.
